

Ginger

Capita a volte di leggere una storia che ci pare già conosciuta, ma proseguendo nel racconto ne scopriamo dettagli inediti che destano l'attenzione e ci fanno apprezzare ogni particolare. Il design di Ginger è proprio così, fatto di dettagli inaspettati che regalano una perfetta diffusione della luce; una collezione unica che si presta a molteplici personalizzazioni, libera nell'essere pensata, cambiata, rivista in ogni ambiente e progetto in cui venga scelta.

Sometimes one happens to read a story that you already seem to know, but moving on in the story we discover new details that grab our attention and make us appreciate every detail. Ginger's design is just like that. It's made of unexpected details that diffuse light perfectly. It's a unique collection that lends itself to multiple customizations, and it's free to be conceived, changed or revisited in any room or project for which it is chosen.

Designer: **Prandina**

**Ginger S50**

Versione a sospensione con finitura bianco opalino.
Suspension version with opal white finish.

**Ginger T30**

Versione da tavolo con finitura bianco opalino.
Table version with opal white finish.

Le proporzioni, lo stile e la forma di Ginger sono concepiti per durare nel tempo. Ne consegue un'elevatissima qualità, risultato naturale della grande cura e attenzione che da sempre riponiamo nei nostri prodotti. Ginger è una collezione ampia che comprende versioni a sospensione, da tavolo e da terra. Si presta inoltre a molteplici personalizzazioni ed è libera, infatti, di essere modificata o rivisitata per soddisfare le esigenze dei vostri progetti.

The proportions, style and shape of Ginger are made to last over time. The highest quality is the natural result of the great care and attention we always put in our products. Ginger is a wide collection that includes suspension, table and floor versions. Moreover, it lends itself to multiple customizations, and it's free to be conceived, changed or revisited to meet the requirements of your projects.
