

Sera

Sera è uno dei prodotti bestseller di Prandina, una delle migliori storie da raccontare. Dalla forma decisa e coinvolgente, Sera si caratterizza con finiture speciali ed affidabili che garantiscono il rispetto di una qualità ineccepibile e di grande valore. Disponibile in sei versioni, tra sospensione, tavolo e terra, questa collezione continua oggi la sua lunga storia di successi grazie al suo prezioso diffusore in vetro soffiato e ai dettagli che la rendono speciale.

Sera is one of Prandina's bestselling products and one of the best stories to tell. With a decisive and engaging shape, Sera features special and reliable finishes that without a doubt respect our impeccable quality and great value. Available in six models, including suspension, table and floor, today this collection continues its long history of success thanks to its precious blown glass diffuser and the details that make it special.

Sera F1 - Sera T1

versioni da terra e
da tavolo con finitura
specchio e struttura
nichel spazzolato

Floor and table versions
with opal white finish and
brushed nickel structure

L'attacco a soffitto a croce caratteristico della collezione Sera è unico nel suo genere tra le collezioni Prandina. I tre cavi di sospensione mantengono la struttura in perfetto equilibrio consentendoti di apprezzare al meglio la bellezza del diffusore in vetro soffiato.

The cross ceiling attachment is one of a kind among the Prandina collections. The three hanging cables keep the structure in perfect balance allowing you to appreciate the beautiful blown glass diffuser at its best.
