

Chorus Mini

DESIGN BY
PRANDINA
2014

^{IT} La versione Mini di Chorus è un ulteriore capitolo che racconta la maestria nella produzione del vetro, esaltando ancor di più i particolari minimi di raggiatura e di una forma unica, talmente particolare da risultare piacevolmente disorientante e di non immediata comprensione. La possibilità di gestire diverse composizioni ad hoc consente di creare scenari eleganti, eccentrici e moderni.

^{EN} The Mini version of the Chorus lamp is another chapter that tells the story of master glass production. It further develops its distinct minimum radius and unique shape, so unusual that it's pleasantly disorienting and not immediately understandable. The ability to manage various ad hoc compositions lets one create elegant, eccentric, and modern lighting scenarios.
